Manitowoc WI 54220

Subject: Build America, Buy America Certification

Extrutech Plastics, Inc. is a registered U.S. Government supplier and manufacturer. All our extruded products, including PVC wall and ceiling panels, are listed as GSA-approved and meet "Buy American" requirements. The panels are also USDA/CFIA accepted for food processing and hold a Class A rating for smoke and flame.

I, Daniel Mies, certify that the following products and/or materials shipped/provided to the above-mentioned project are in full compliance with the Buy America, Build America (BABA) requirement as mandated by U.S Department of Housing and Urban Development (HUD).

Item, Products relevant Product Service Code (PSC) and North American Industry Classification System (NAICS) code:

1. 326199: All Other Plastics Product Manufacturing
2. 32619: Other Plastics Product Manufacturing
3. 3261: Plastics Product Manufacturing

Such product manufacturing process took place at the following location: If any of the above compliance statements change while providing material to this project, we will immediately notify the prime contractor and the engineer.

Daniel Mies

Managing Director
